March 16th ,1948

His Excellency,  
The Iranian Consul-General,  
Imperial General Consulate of Iran,  
Jerusalem.

Your Excellency ,

We deeply regret to announce that, as a result of the heavy explosion which occurred at 0900 hours on Wednesday the 3rd March, 1948, adjacent to our premises at 5 Allenby road, Haifa, near Salam building and the Social Welfare Department, damage and loss was caused to our Store and goods contained therein.

The large scale firing and further explosion in the vicinity on the date and thereafter, following the abovementioned outrage, in no way permitted us to reach our Store and remove our effects with the result that, on attending to the place days after, we found out that all goods and other valuables were lost. Nothing was left but broken glass and furniture.

A We have therefore already submitted a comprehensive claim to the District Authorities, copy of which is enclosed herewith, and trust that Your Excellency may intervene and do the necessary representations with the Palestine Government in order that appropriate compensation would be made to us covering the loss we sustained as a result of the aforesaid outrage which also affected buildings and property in a wide area surrounding our place.

We need not stress the fact that the loss so sustained by us represents concentrated efforts amassed by us in the form of goods and other valuables during a period of over ten years, and that the figures contained in our attached claim, and amounting to L.P. 2604000 Mils (Two thousand six hundred and four Palestine Pounds) represent the true and minimum values of goods and belongings lost or destroyed.

unavoidable damage, in no way permitted us to reach  
our Store and remove our effects with the result that, on
